Jet Source Ranks In the Top 40 For Business Aviation Services

Carlsbad, CA — *Aviation International News* ranked Jet Source in their Annual Americas' Top 40 FBOs (Fixed Base Operations) Survey.

Pilots, dispatchers, and business aviation professionals who actually use these facilities made all the evaluations for the 2006 Aviation International News North, Central and South American FBO Survey. Respondents are asked to rate each FBO based on the following criteria: line service; passenger amenities; pilot amenities and services and facilities.

“Jet Source is pleased to be recognized for providing our customers a service which ranks among the highest in the industry. Our focus is on customer service and exceeding customers expectations, our company objective is operational excellence. I believe this ranking demonstrates the high level of attention our dedicated service professionals exhibit on a daily basis”, added Frank Milian, Jet Source President and Chief Operating Officer.

Jet Source is nestled in the heart of San Diego's North County coastal area and is the only full-service business aviation facility at Palomar-McClellan Airport in Carlsbad, CA. With more than 120,000 square feet of hangar space, Jet Source boasts a FBO with an Executive Terminal and provides maintenance, avionics, ramp service, fuel sales, aircraft charter, management and aircraft sales/acquisition.
